Workshop and Presentation Speakers

1:00-3:00	Jo Ann Carr	<i>The Indispensable School Librarian: Pathways to Success</i>
10:00-10:30	Randy Thompson	Follett's TitleEZ Subscription Service
11:00-11:30	Dan Verdick	<i>Getting Boys to Read</i>
12:00-12:30	Barnes & Noble	e-Reader Nook

Successful 21st century students need school libraries and teacher librarians to guide them in inquiry, behavior, and skill development to become independent learners. This workshop will guide Denver teacher librarians to fill this indispensable role. Lessons learned from past winners of the National School Library Program of the Year award will serve as the outline for this program. Participants will identify their current role and the future goals in each component of the quality factors for exemplary school libraries.
